

**ST. LAWRENCE COUNTY
HEALTHY LIVING PARTNERSHIP**

Program Goal

To provide screening mammograms, clinical breast exams, Pap smears and pelvic exams for eligible women 40 years and older in St. Lawrence County.
Colorectal screening for Men and Women age 50 and older.

Eligibility

Eligibility requirements include the following:

- New York State resident
- Uninsured
- Underinsured
- Meet financial eligibility requirements (250% of the Federal poverty level)

Description

St. Lawrence County Cancer Services-Healthy Living Partnership is a grant funded program. It is designed as a comprehensive, age appropriate breast, cervical and colon cancer screening program for the uninsured and underinsured persons in New York State. The focus is to provide education about early detection and access to care by removing the financial barriers of screening and diagnostic testing to the men and women in our community.
