Call to Order: 19:00

Minutes September Meeting

Amend to include the request of a letter to the NYSPA on boat launch use extension through December.

Old Business

None

Cormorants:

Meeting held in administrator office looking at possible ways to get Canadian's more involved. Committee is looking at attending some EXPO / Sport Shows in Canada.

Trout Waters

People were still able to take some nice rainbow trout in the year around area of the St. Regis. Many of these are 16-inch fish.

Grass River

More fish study on going.  
Large number of sturgeon found.  
Sand Darters and Alewife found by study group.

Guest

Lt clarified many fishing regulation questions.  
Have 3 deer decoys out at this time only one had been shot at.  
Requested to look into handy cap access to Clear Pond.

DEC and Canadian Ministry fisheries people working St. Lawrence checking limits and licenses.

Have received complaints on drive by deer shootings.

One ECON officer retired second getting ready to retire. Most likely no replacements until the next class graduates next fall.

#### New Business

Bass organization asked to send letter also to NYSPA on the dock issue.

Letter to NYSOPRHP asking to have the docks at Black Lake left in until December and have extension placed on dock.

#### Other

Group went over the membership list.

Note one member term is up and a request to legislature for Don Lucas to be reappointed. Second member on list his term is up need to contact and see if he cares to continue. Secretary to follow up,
